

# One Size...Fits All!

## One controller...For All!

## Cruisers - SUV's- Motorcycles - Watercraft

Don't let the ultra compact size fool you. This command and control console is built to rock and roll with your entire fleets. It's 4" x 5" x 1" size gives you the versatility to mount it overhead, in the equipment rack or on a flexible free moving mount. Better yet, its water resistant and mounts right on your motorcycles.
