

# **Don't pay more than necessary for a mobile digital video recorder**

## **More Bang for the Buck!**

**Ultra Compact  
Law Enforcement  
Grade digital video  
recording system complete  
with camera, DVR, controller,  
wireless microphone  
and removable hard drive  
capable of recording up to  
40 hours of video evidence**

**One Size...Fits All your fleet vehicles including motorcycles. Standard your media throughout the entire fleet. Standardize your training because everyone uses the same system. Put an end to expensive VHS tapes and high cost repair chages. We offer a 2 to 5 yearer full warranty repair program.**

## **If you're about to pay more than \$4000 for your mobile digital video system...you're about to pay too much**

**The budget you save on each of our systems can be used for other critical needs within the agency. Our system averages \$1500 to \$3000 less than others. Purchase ten of theirs and get over charged. Purchase 10 of ours and you save enough to purchase an extra vehicle.**

**Call us at 1-866-277-5098 and learn more about the new price leader in mobile digital video systems. Custody is not only our name..its our committment to video that convicts.**
