Somewhere out there is a police department in need of advanced crime fighting technology.....you can help!

Join the

Help the COPS Help the COURTS Help the COMMUNITY

Working with community service organization and corporate sponsors, our mission is to afford local law enforcement and public safety a means to have the latest in digital video technology. Our program matches agencies with organization to work toward a common goal decreasing crime by documenting it as it occurs and getting convictions.

To learn how your organization can help contact Ray Edwards at 1-866-277-5098
